Imagine Disney's *The Little Mermaid* story that takes place in Africa. That is the setting of this wonderful new fast paced adventure. Simi is a mermaid whose duty it is to collect the souls of people who die at sea. But Simi's memories of a former life perpetually haunt her and compel her to save a boy from drowning, instead of watching him die. Her choice violates an ancient edict, and the punishment for it threatens all. To atone, Simi must seek out the Supreme Creator; however, a shadowy force circling Simi desires to see her fail.
