*Huda and her family just moved to Dearborn, Michigan, a small town with a big Muslim population. In her old town, Huda knew exactly who she was: She was the hijabi girl. But in Dearborn, Huda is lost in a sea of hijabis, and she can't rely on it to define her anymore. This hilarious graphic novel is partly based on the author's own life experiences. It is an unusual immigrant story that really gets to the heart of questions like who are you, and how do you define yourself.*
