Fall Fest 2024

Saturday, November 16

12 - 4 p.m.

Central Library | 40 E. St. Clair Street

Special Guest: **Yolanda Renee King**

The family-friendly festival will include a dynamic speech from 15 year-old author and activist, Yolanda Renee King, the only grandchild of the late Dr. Martin Luther King, Jr. and Coretta Scott King. Her new book "We Dream A World" is a call for unity and equality and is inspired by Langston Hughes's seminal poem "I Dream A World". Yolanda Renee King is leading a new generation of modern activists. Though the 15-year-old never met her grandfather, she is galvanizing countless young people to stand up and speak out on a range of issues affecting the world today. She represents and embodies this year's Fall Fest theme, "Courage".

This event is free and open to the public and made possible by
The Indianapolis Foundation Library Fund and **J. Steve & Donna D. Talley Fund**
through gifts to The Indianapolis Public Library Foundation.
